Tuesday, February 1, 1983  
3:00 O'Clock P.M.  
Room 233, City Hall

The Legislation Committee met.

There were present:

Alderman V. Agro - Chairman  
Alderman M. Kiss  
Alderman V. Scott  
Alderman S. Collins  
Alderman T. Murray  
Alderman I. Stout  
Alderman H. Merling  
Alderman M. Davison

Also present were:

Mr. P. Hooker - Legal Department  
Mr. K. E. Avery - Deputy City Clerk

Licensing Regulations for Transient Traders

Mr. Jordan Livingston, representing the Hamilton Downtown Association, and the Retail Fur Council of Canada, appeared before the Committee to discuss the problem of how seriously transient traders are affecting the local retailers in the City of Hamilton.

He explained that transient traders are being granted municipal licenses for the maximum of \$500.00 for five years and are opening, whenever they like, including Sundays and Statutory Holidays, and are taking millions of dollars of business away from legitimate local business people without paying local taxes or giving local employment. They are being given these licenses without their credibility being checked as the three major firms in this field are all up on Federal charges of false and misleading advertising, misrepresenting merchandise, and in two cases already have convictions against them.

He proceeded to explain that if the Province or the Municipality cannot resolve this situation, local retailing will no longer be viable. He also pointed out that downtown and outlying shopping areas will begin to run down and deteriorate, and particularly, downtown business areas will become disaster areas with empty stores and broken-down buildings. He urged the Committee to take immediate action by enacting legislation that will protect the local retailers.

Mr. Bill Powell, representing local art stores and a representative of the Hamilton Florists' Association also appeared before the Committee in support of Mr. Livingston's petition for the enactment of appropriate legislation to protect local retailers from the practices and activities of transient traders. As a matter of information, Mr. Powell explained that local law enforcement agencies are presently investigating the advertising and marketing techniques of transient traders. He explained that he has not sold a major piece of artwork in the last four months and that there is presently no way of checking the authenticity of artwork coming into the Country. He explained that transient traders advertise that the artworks are by Canadian and European artists whereas they are actually produced in Indo-China.

Mr. S. J. Dembe, Licence Administrator explained that the staff became frustrated with their inability to deal with this problem.

He pointed out that the City of Hamilton has petitioned the Provincial Government for changes to transient trader provisions in the Municipal Act on several occasions but with no success. However, because of numerous complaints lodged with the various Provincial Ministries, the Province is presently in the process of investigating whether there is any latitude for change in the Municipal Act. It was also pointed out that questions of advertising and quality of products cannot be addressed by the Municipality, but rather is a matter that falls under the jurisdiction of the Minister of Consumer and Commercial Relations.

Mr. Phil Hooker of the Legal Department explained that the Municipal Act stipulates that the Municipality cannot prohibit transient traders from operating within the City limits but can only license and regulate transient traders.

Following a lengthy discussion the Committee agreed that the City Solicitor be requested to provide the Legislation Committee with a legal opinion as to the jurisdiction of a Municipality and the Provincial Government in regards to transient traders. The Committee also requested staff to provide three alternative recommendations as follows:

- (a) the best way to tighten existing licensing regulations;
- (b) the most appropriate by-law to provide for more effective regulation, control and protection to the local retail merchants; and
- (c) the most appropriate Provincial legislation of general application.

The Committee also asked the Chairman to write to the Convention Centre pointing out the problems the City is experiencing regarding transient traders.

The Committee received the Record of Receipts for the Hamilton Market for the months of December 1981 and 1982, also January 1 to December 31, 1981 and 1982.

In a report dated January 17, 1983, the Treasurer and Commissioner of Finance recommended that a reserve for Capital Projects or a reserve to accelerate payment of market debt for the Central Market not be created in the year 1983. Mr. McFarland made the following comments in his report:

"A provision for such a reserve could, of course, be created but the question of the City of Hamilton creating a precedent for a series of smaller provisions for capital purposes should be carefully reviewed. Surpluses from various operations from within the City of Hamilton organization, by and large, are included with the overall surplus for the City itself. The exceptions that we have made in recent years relate to the Local Boards whereby if these Local Boards do not require the full approved municipal contribution in any year to finance their operations any such excess is set aside in a separate reserve for capital purposes, the funds to be used exclusively for such Local Board. Since the Central Market is not a Local Board and is, in essence, part of the overall municipal budget, I would prefer that an exception is not made in the case of the Central Market.

In addition, if a provision for a reserve is created this would be an additional charge on the mill rate in the year of creation since it has not been created in previous years.

It has to be understood as well that the Central Market operation is not self-sustaining but is, in fact, in a deficit position if you consider the debenture charges which amount to \$195,950 per annum until 1996 as part of the expenditure

total. With the recent 6% increase in rental to the stallholders and based on a four-day operating week, this operation, on the other hand, could possibly have a surplus of approximately \$25,000 in 1983 before considering such debt charges. It can be argued that since the City of Hamilton, in its general budget, already provides for the payment of these debt charges that such operating surplus is, in essence, used to reduce the impact of this charge. In addition, it has been City policy, to date, where major capital expenditures are required, that these items be financed through the Capital Budgeting process or, if not sizeable, possibly a separate item in the current estimates.

The suggestion that a separate reserve be provided from the operating surplus of the Central Market to accelerate the payment of market capital debt, I believe, refers to the actual purchase of these debentures in the open market by the City. It probably would be impractical to make an attempt to locate various holders of City of Hamilton debentures which would involve, if they were located, negotiating with such individuals or institutions to purchase the debentures at that time since they are subject to market fluctuations along with such instruments."

The Committee agreed to ask the City Treasurer to set-up a reserve for the operating expenses of the Market. Alderman Davison felt that the stall-holders should know that any operating surplus at the Central Market is not included with the overall surplus for the City itself.

In a report dated January 19, 1983, the Director of Real Estate recommended:

"That the Corporation of the City of Hamilton lease the unused land located east and adjacent to that portion of MacNab Street North as closed by By-law 70:277 as shown in red on the attached plan from Famleigh Properties Limited for the sum of \$1.00 per year, plus any business taxes assessed against the said lands for a period commencing April 1, 1983 to December 31st, 1983.

That the Mayor and City Clerk execute a lease agreement in a form satisfactory to the City Solicitor."

Inasmuch as the proposal to lease this area would involve seasonal stall-holders, the Committee agreed to table the recommendation in order to give Mr. Avery, Deputy City Clerk, an opportunity to investigate the possibility of locating seasonal stallholders on the plaza level of Jackson Square.

In a letter dated January 18, 1983, the Transport and Environment Committee recommended that the Resolution from the Municipality of Niagara dealing with the deferment of the implementation of various environmental programs be endorsed. It was noted that if the Ministry of the Environment accepted this recommendation, the Redhill

Creek issue would be exempted from the Environmental Assessment Act. The Committee agreed to submit the following Resolution to City Council for approval:

"That the following resolution from the Regional Municipality of Niagara be opposed.

'That during the period of economic recession, the Ministry of the Environment be requested to defer the implementation of the following environmental programs:

- (i) Environmental Assessment Regulations;
- (ii) More stringent regulations for phosphate removal;
- (iii) Additional treatment of water plant backwash wastes.

That this resolution be circulated to all Regions and major municipalities in Ontario, for support.'

Explanatory Note - The Transport and Environment Committee received the resolution from the Regional Municipality of Niagara and recommended to the Legislation Committee that the resolution be endorsed by City Council."

In a letter to Mr. J. D. Thoms, Regional Planning Commissioner, dated January 31, 1983, Mr. P. M. Eker advised that the Ontario Municipal Board, in its decision dated December 22, 1981, approved By-law No. 80-290 which would prohibit a "Penny Arcade" comprised of four or more machines in districts where Penny Arcades are not permitted. The By-law would allow up to three machines in any zoning district as an accessory use. The Board's approval was given for a temporary period expiring on June 22, 1983, during which time the City was to "consider the ramifications of the definition of Penny Arcade, and should the City consider it appropriate, bring an amendment forward to the Board by way of By-law amendment." By-law No. 82-52 was enacted as such an amending By-law to delete the definition in By-law No. 80-290 and to re-establish the original definition which said that a "Penny Arcade" was comprised of two or more machines and an accessory use comprised of only one machine. This would allow only one machine as accessory to any other use where Penny Arcades are prohibited. The Board did not accept this reversion to the original definition and, therefore, until June 22, 1983, a "Penny Arcade" is defined in By-law No. 80-290 and By-law No. 82-52 is superfluous and of no effect and should be repealed.

Mr. Eker suggested that Mr. Thoms recommend to the Planning and Development Committee that By-law 82-52 be repealed. Mr. Eker's letter was noted and received.

Alderman Kiss recommended that the Minister of Municipal Affairs and Housing be requested to amend the Municipal Act in order to give Municipalities the power to pass By-laws to provide that no person under the age of sixteen years may enter or remain in a video game arcade unless accompanied by a parent or guardian. Alderman Kiss also recommended that the Municipal Act be amended to provide that no person under the age of eighteen may work or operate a video game arcade. The Committee

agreed to recommend to Council that the Provincial Government be requested to amend the Municipal Act with respect to persons under the age of sixteen years, but took no action on the recommendation with respect to persons under the age of eighteen years operating or working in the video game arcade.

The Resolutions from the Cities of Thunder Bay and Kitchener dealing with places of amusement and video arcades were deferred.

The Committee proceeded to consider the letter from the Transport and Environment Committee dated January 19, 1983, dealing with the inclusion of union contract information on all future City specifications. Attached to the letter was a copy of a letter from Alderman Davison to Mr. Morden, Director of Public Works, requesting that a question asking whether or not a tender had entered into a contractual agreement with its employees be included on the tender documents used by the City of Hamilton. Also attached was a draft prepared by Mr. Morden's office respecting Alderman Davison's request.

Alderman Davison recommended that the Chamber of Commerce and the Hamilton and District Labour Council be asked to submit any comments or recommendations they may wish to make regarding this proposal. It was moved by Alderman Stout and seconded by Alderman Scott and carried that no action be taken on Alderman Davison's recommendation.

In a letter dated January 21, 1983, Mr. K. A. Rouff, City Solicitor, reported on the recent decision of the Court of Appeal with respect to Adult Entertainment Parlours, By-law No. 79-144.

"(a) The Court did say that it was 'satisfied that the record does not disclose bad faith, as that expression is commonly understood in municipal jurisprudence and that no discrimination is involved in regulating a class or classes of adult entertainment parlours as authorized by The Municipal Act'.

(b) The Court said that 'the principal flaw in the Appellant municipality's attempt to license and control the sale of 'erotic' magazines is a vagueness and lack of certainty in the definition of erotic goods'. As a matter of further comment, the Court did further acknowledge that the City's definition of 'erotic goods' followed the wording in The Municipal Act. Notwithstanding that, the Court felt the definition was imprecise and insufficient.

(c) The Court also struck down Sections 19 and 20 of the By-law. These are the sections which they held offended the concept of freedom from unreasonable search and seizure as is found in the Charter of Rights.

(d) The Court also held that the provisions in the By-law which prohibited offering to provide or providing erotic goods or erotic services in an adult entertainment parlour to a person under 18 years was not authorized by the enabling legislation. On the contrary, the Court held

that the legislation only authorized prohibiting a person under 18 years of age to enter or remain in an adult entertainment parlour or in any part of it.

RECOMMENDATION:

At the present, we are in the procecess of preparing the necessary amendments to the By-law using the decision as a guide and would appreciate receiving instructions to proceed with the appropriate amendments."

Aldermen Agro and Scott declared a possible conflict of interest and withdrew from any discussion regarding the Adult Entertainment Parlours By-law.

As recommended by Alderman Murray, the Committee agreed to recommend to City Council that one additional citizen member be appointed to the Management Committee of the Canadian Football Hall of Fame and Museum and that the City Clerk be authorized and directed to place an advertisement in the local newspaper inviting applications for the position.

The Committee agreed to recommend to City Council that the Max Rotman Humanitarian Youth Award be permitted to hold its Awards Ceremony in the City Hall Council Chambers on the evening of April 13, 1983.

The Committee tabled the recommendation of the Hamilton Status of Women Sub-Committee regarding appointments pending receipt of copies of the letters of application.

As suggested by the Treasurer and Commissioner of Finance in a report dated January 25, 1983, the Committee agreed to advise taxpayers inquiring for relief for reduction of realty taxes under Section 496 of The Municipal Act, by letter, signed by the Chairman of the Legislation Committee, that The Municipal Act does not make provision for a Municipality to reduce the realty taxes for homeowners who have installed Urea Formaldehyde foam insulation in their homes. The letter explains to the taxpayer why a decision of no reduction in 1981 realty taxes was allowed under the Tax Appeal Review Committee and the Assessment Review Court. It is the opinion of the Legal Department that since the taxpayer has written in requesting a tax appeal, he is entitled to his day in Court. By mailing the letter out explaining the City's position, the number of people attending the Tax Appeal Review Committee may be reduced. If the letter is not mailed a meeting will have to be scheduled for approximately 90 appellants.

In a letter dated January 26, 1983, the Parking Authority advised that it has agreed to the recommendation of the Legislation Committee to reserve an additional nine spaces for members of City Council. The loss of these spaces will exert additional pressure on existing permit holders and the number of permits currently outstanding should be reduced. Their latest information indicates that there are, at present, ninety-two permits issued to persons not employed at City Hall. These permits are distributed as follows:

Health Department Staff	22
Library Staff	27
Football Hall of Fame Staff	2
Credit Union Staff	10
Media Personnel	21
Police Commission Members	3
Convention Centre Staff	<u>7</u>
Total	<u>92</u>

The media personnel will continue to require permits for parking at City Hall and these 21 permits should remain. Because of a long-standing agreement with the Health Department, the Committee may wish to leave

these 22 permit holders on the City Hall lot. If not, they could be re-assigned to the Underground Garage at a cost of \$11,880.00. The 27 permits issued to the Library staff could be re-assigned to Municipal Carpark No. 61 at a cost of \$9,720.00 per annum. Nineteen additional permit holders comprising the Credit Union Staff, the Football Hall of Fame Staff and the Convention Centre Staff could be re-assigned to the Underground Garage at a cost of \$10,260.00 per annum. In accordance with the policy adopted by City Council on March 13, 1973, the three permits issued to the members of the Police Commission should be cancelled. Under the terms of the policy, these officials should pay for their parking and be reimbursed for their expenses by the Commission.

Alderman Davison commented that the re-assignment of the Convention Centre staff to the underground garage and the cancellation of three permits presently issued to the members of the Police Commission would offset the nine additional spaces to be set aside for the members of City Council. The Committee agreed to table the report pending receipt of a recommendation from Mr. Simpson, the City Clerk.

The Committee agreed to recommend to City Council that it support the letter from the City of Windsor dated January 13, 1983, to The Honourable Marc Lalonde, Minister of Finance, requesting an extension of the \$3,000.00 grant for first-time home-buyers to include 1983, especially for first-time buyers of resale homes.

The Committee approved the recommendations of the Tax Appeal Review Committee for the tax adjustments on compassionate grounds in the total amount of \$3,398.08 as set out in Schedule "A" which was distributed to the members of the Committee.

The Secretary distributed a report prepared by Mr. E. A. Simpson, City Clerk, concerning the creation of a Translation and Interpretation Services Program at City Hall designed to facilitate better service for the citizen within the City's jurisdiction, whose first language is not English. The report was prepared in consultation with the City's management team. The Committee agreed to hold a public meeting on Wednesday, March 2, 1983, at 7:30 p.m., second floor foyer, in order to give all interested persons an opportunity to present any comments they may wish to make regarding the proposed programme. The Secretary was also directed to notify all cultural (ethnic) groups in the immediate area advising them of the Public Meeting. All groups will be requested to submit their comments in writing.

At the request of Alderman Collins the Committee agreed to discuss, at its next regular meeting, the appointment of a permanent Tax Appeal Review Committee as well as the imposition of a maximum tax reduction.

The meeting then adjourned.

Taken as read and approved

Alderman V. Agro  
Chairman

City of Hamilton Agenda  
Bulletin Board

Tuesday, February 15, 1983  
3:00 O'Clock P.M.  
Room 233, City Hall

The Legislation Committee met.

There were present: Alderman V. Agro - Chairman  
Alderman M. Kiss  
Alderman S. Collins  
Alderman T. Murray  
Alderman M. Davison  
Alderman V. Scott  
Alderman I. Stout

Also present were:

Mr. E. A. Simpson - City Clerk  
Mr. P. Hooker - Legal Department

The minutes of the meetings held January 4th, 18th, and 24th, 1983, were adopted and circulated to the members.

The record of receipts from the Hamilton Market for the month of January, 1982 and 1983, were noted and received.

In a report dated February 7, 1983, Mr. W. H. MacFarland recommended that the City of Hamilton not endorse the Resolution of the Corporation of the Town of Clinton dated December 20, 1982, relating to assessment appeal procedures. He noted in his report that inasmuch as the City of Hamilton has not been confronted with the same situation as it exists in the Town of Clinton, he is of the opinion that the City should not endorse the Resolution.

In a letter dated February 2, 1983, the City Solicitor stated that the Town of Clinton Resolution should not be endorsed because:

- (a) The Assessment Review Court deals with a large number of Appeals but grants reductions in only some of them.
- (b) If the Municipal Official contested all of the Appeals, his time would have been wasted in those cases where the Court decided to turn down the Appeal on the evidence of the Appellant and the Assessment Commissioner.
- (c) The Regional Registrar sends to the Clerk of the Municipality the decision of the Assessment Review Court. Within 21 days thereafter the Municipality has the right to appeal any of the decisions to the County Judge.

The Committee therefore decided to submit the following Resolution to City Council:

THAT the City of Hamilton not endorse the following Resolution of the Corporation of the Town of Clinton relating to Assessment Appeal procedures:

" WHEREAS pursuant to Section 39 of the Assessment Act, R.S.O. 1980, Chapter 31, a ratepayer of a Municipality may appeal the assessment on his/her property to the Assessment Review Court;

AND WHEREAS frequently a ratepayer does appeal his/her assessment and is granted a reduction of such assessment on the basis of conditions which may have been obvious when the said ratepayer purchased the property;

AND WHEREAS there is no provision in the Assessment Act for the Clerk or other Municipal official to appear in the Assessment Review Court to oppose the application for reduction of assessment which Municipal officials might consider to be unjustified;

NOW THEREFORE the Municipal Council of the Town of Clinton resolves that the Legislative Assembly of Ontario be petitioned to amend the Assessment Act to give a municipality the right to have a representative appear at the Assessment Review Court to present arguments against assessment appeals which it considers to be unjustified;

AND FURTHER BE IT RESOLVED that the Municipality concerned be informed well in advance of the hearing date of the basis on which each assessment appeal is being made;"

Explanatory Note:

The Legislation Committee concurs with the recommendations of the City Treasurer and the City Solicitor that this Resolution should not be endorsed.

As recommended by Mr. D. C. Freeman, City Architect, in a report dated February 3, 1983, the Committee agreed to submit the following recommendation to City Council:

THAT the City Solicitor be authorized and directed to prepare a By-law to amend Subsection 8 of Section 39 and Subsection 5 of Section 40 of Procedural By-law No. 82-203 so as to provide that reports concerning Lloyd D. Jackson Square be forwarded to the Finance Committee in future except for reports concerning new developments which will be forwarded to the Planning and Development Committee.

Explanatory Note:

In the past the Co-ordinator for Lloyd D. Jackson Square has reported on all matters to the Planning and Development Committee. Many of these reports now have to do with maintenance and repair contracts which should be dealt with by the Finance Committee and that only items regarding new developments (the Arena/Trade Centre and Hilton Hotel) be taken to the Planning and Development Committee.

As recommended by Mr. Lou Sage, C.A.O., in a report dated February 11, 1983, the Committee approved that a meeting be arranged with the Chairmen of the Grants Sub-Committee of the Finance Committee, Convention Grants Sub-Committee and the Special Events Advisory Committee to discuss the feasibility of processing all grant requests through one committee. At the present time, grant requests are processed through the above three committees. Processing grant applications through one committee would eliminate possible duplication.

The Committee also approved the recommendation of Alderman Agro that the recommendations of the Convention Grants Sub-Committee be brought before the Legislation Committee for final ratification prior to being sent to City Council.

As recommended by Mr. E. A. Simpson, City Clerk, on February 10, 1983, the Committee agreed to submit the following recommendation to City Council:

THAT Standing Committees be required to submit to City Council negative recommendations which, if they had been positive recommendations, would require the approval of City Council.

Explanatory Note:

This procedure will ensure that City Council will deal with all matters which should be dealt with by City Council, however, it will not interfere with Standing Committee decisions which would not otherwise require the approval of City Council.

In a letter dated February 4, 1983, the Transport and Environment Committee requested the Legislation Committee to undertake a review of the entire Committee structure currently in operation at City Hall. The Committee agreed to strike a special Sub-Committee comprised of Alderman V. Agro, Chairman and Aldermen Kiss and Davison to review the committee structure as recommended by the Transport and Environment Committee.

In a letter dated February 4, 1983, the Transport and Environment Committee requested the Legislation Committee to consider the need for either special legislation or amending legislation to The Municipal Act to allow municipalities to permit fences upon the road allowances adjacent to industrial, institutional, commercial and residential lands under the provisions of an agreement and the payment of an annual fee.

Alderman Davison suggested that the Committee should ask for a precise opinion from the City Solicitor as to the legal ramifications of the City entering into fence encroachment agreements with property owners: For the Committee's information, Mr. Hooker explained that inadvertent encroachments are permitted under The Municipal Act, where an individual does not deliberately encroach on the road allowance but that The Municipal Act does not permit deliberate encroachments.

Mr. K. A. Rouff, City Solicitor, was in attendance and explained that the Provincial Government is concerned with encroachments on road allowance inasmuch as they want to keep highways open and in a good state of repair. Alderman Davison commented that the most sensible thing to do is to enter into encroachment agreements to permit a fence on the road allowance and that provision should be made in the agreement to indemnify and save the City harmless of any claims. He suggested that as a test case the City should enter into an encroachment agreement with the owners of 10 Madison Avenue to permit a chain link fence to remain on the road allowance. Following a general discussion, the Committee agreed to submit the following Resolution to City Council:

THAT the Minister of Municipal Affairs and Housing be requested to amend The Municipal Act

to allow municipalities to permit fences upon the road allowances adjacent to industrial, institutional, commercial and residential lands so as to indemnify and save the municipality harmless from all actions, causes of action, interest, claims, demands, costs, damages, expenses and loss. The Committee also recommends that no further action be taken at this time in respect of the removal of fence encroachments in the City of Hamilton until the request for amending legislation has been considered by the Provincial Government.

In a report dated February 10, 1983, Mr. E. A. Simpson, City Clerk recommended that the Council of Regents for Colleges of Applied Arts and Technology be requested to amend its policies and procedures respecting Board appointments so that one nomination only, for each vacancy, is required from the designated municipalities in the college area. The Committee agreed to table Mr. Simpson's recommendation until a reply is received from the Council of Regents to the City's latest letter.

The report from Mr. E. A. Simpson, City Clerk, dated February 14, 1983, relating to the transfer of functions of the Tax Appeal Review Committee to the Assessment Review Board was tabled until the next regular meeting in order to give the members an opportunity to review and study the report.

In a report dated February 7, 1983, Mr. K. E. Avery, Deputy City Clerk recommended that one member of the City Clerk's Department be authorized to enroll in the diploma program in Public Administration at the University of Western Ontario from May 8th to June 17th, 1983 and that an additional amount of \$2,600 be approved in the City Clerk's budget to cover the cost of fees.

In view of current budget restraint and in light of the fact that the Finance Committee is requesting that the Legislation Committee undertake a further review of its 1983 estimates with a view to effecting a minimum reduction of \$40,000, Mr. Simpson withdrew the recommendation.

In a copy of a letter dated January 26, 1983, addressed to the Secretary of the Finance Committee, Alderman McCulloch advised that as Chairman of the Hamilton Arts Award Committee, he has had the privilege to participate in the annual selection of the recipient of the Hamilton Arts Award.

This award is made to the citizen of Hamilton who has made what is considered to be the greatest contribution in the previous year in the field of art. Five years ago the City purchased six medallions and it is now necessary to replenish the supply. In a covering letter dated February 9, 1983, Mr. J. J. Schatz, Secretary of the Finance Committee advised that at its meeting on February 3, 1983, the Finance Committee approved the request of Alderman McCulloch and authorized the purchase of six medallions at a total cost of \$821.76 and that this expenditure be charged to Account No. 0374-1147, Civic Pins, Medallions and Rings. It was pointed out that the Finance Committee did so subject to the concurrence of the Legislation Committee. The Committee approved and concurred with the action taken by the Finance Committee in this matter.

For the information of the members of the Committee, Alderman V. Agro advised that the United Council of Women is sponsoring a seminar on February 16, 1983, to review and examine existing regulations and

procedures regarding illegal immigrants who want to be granted status within the framework of legislation.

In a report dated February 9, 1983, the Finance Committee requested the Legislation Committee to undertake a further review of the 1983 estimates under its jurisdiction with a view to effecting a minimum reduction of \$40,000.

City Council, at its meeting on February 8, 1983, approved a Resolution establishing a zero per cent increase in the Municipal mill rate for residential and non-residential purposes. In order to achieve this objective the above-requested adjustment will be necessary.

The Committee asked Mr. Simpson to review his budget submission and come back with recommendations.

The Committee agreed to submit the following recommendation to City Council:

THAT approval be given to the recommendations of The Tax Appeal Review Committee for tax adjustments in respect of realty and business taxes in the total amount of \$95,210.24 as set out in Schedules "A" and "B" which are available for inspection from the City Clerk.

The Committee approved the request of the Estonian Society of Hamilton to fly the Estonian Flag at City Hall from February 18 to 24, 1983, on the 65th anniversary of the independence of Estonia.

The meeting then adjourned.

Taken as read and approved

Alderman V. Agro  
Chairman

Tuesday, February 15, 1983  
4:30 o'clock p.m.  
Room 233, City Hall

**The Convention Grants Sub-Committee met**

There were present:                      Alderman I. Stout, Chairman  
   Alderman T. Murray  
   Mr. J. D. Thompson, Secretary

The Committee agreed to submit the following recommendations to City Council for approval:-

**Recommendations of the Convention Grants Sub-Committee**

1. That a grant in the amount of \$250.00 be made to the Mount Hamilton Minor Hockey Association to be used to assist in defraying expenses to be incurred in staging and hosting the Friendship Hockey Tournament to be held in the City of Hamilton, April 1 - 3, 1983 at the Mountain Arena. This Tournament will bring together approximately 156 boys from across Ontario aged 7 to 8.
2. That a grant in the amount of \$1,200.00 be made to the Hamilton Professional Firefighters Association to be used to assist in defraying expenses to be incurred in providing a banquet to the delegates attending the Canadian Association of Firefighters' 1983 Convention to be held in the City of Hamilton, August 7 - 11, 1983. Approximately 375 firefighters and spouses are expected to attend.
3. That a grant in the amount of \$300.00 be made to Valentino's Bakery Bantam Hockey Club to be used to assist in offsetting expenses incurred in staging and hosting the Annual Home and Home Hockey Series with Pembroke, Ontario, which was held in the City of Hamilton, February 18, 19 and 20, 1983. Approximately 300 hockey players, parents, coaches, managers, and friends participated in this annual event.
4. That a grant in the amount of \$1,500.00 be made to the National Prisoners of War Association, Hamilton Chapter, to be used to assist in defraying expenses to be incurred in staging and hosting and Bi-Annual Convention of the Association to be held in the City of Hamilton, August 4 - 7, 1983. This convention will bring together members of the P.O.W. Association from across Canada as well as visitors from Great Britain, Australia, New Zealand and France.
5. That Civic Awards be made to the following:
  - (a) Mr. Douglas Bailey of the Hamilton City Chess Club, who recently won the Canadian Junior Chess Championship.
  - (b) Mr. Bruce Eccles and Mr. Ray Little of the Steel City Riders Motorcycle Club, who recently brought honours to the City of Hamilton by winning Provincial championships.
  - (c) Mr. Donny McVicar, Mr. Jerry Wells, Ms. Ann Connelly and Ms. Eileen Cookson of the Steel City Powerlifting Club, who recently won Ontario and Canadian championships in powerlifting.

The meeting then adjourned.

Taken as read and approved,

John D. Thompson, Secretary

## THE CORPORATION OF THE CITY OF HAMILTON

FROM T. R. Stewart - Market Manager DATE May 16, 1983  
Name & Title

FOR ACTION ☒ FOR INFORMATION ☐ File No. \_\_\_\_\_

TO: CITY COUNCIL ☐ (OR) Legislation Committee ☐  
Committee

### SUBJECT

Amendment to Hamilton Market By-Law No. 81-180 for 1983

### RECOMMENDATION

Current by-laws be amended to require all stallholders to arrange for proper insurance coverage on market stalls contracted to them.  
The City Solicitor be requested to make appropriate amendment.

### BACKGROUND

This is being recommended on the advice of the City Solicitor having experienced accident claims of individuals in the Hamilton Market.

In some cases personal injury was sustained and in one particular situation court hearings were pending.

If insurance coverage on market stalls was made mandatory, this would not only protect the City of Hamilton but also protect the stallholders of possible law suits.

I believe the stallholder would also become more concerned with cleaning up of any debris in front of their stands if they were made liable for personal injury caused by unnecessary debris around their stands.

Dear Mr. Thompson:

Our Company is hereby applying for an art display of 25 - 30 paintings by Mr. Evel Knievel in Hamilton's City Hall on June 9, 1983, and June 10, 1983, respectively.

Mr. Evel Knievel, who will be in our City from June 8, 1983 to June 11, 1983 is not only internationally recognized celebrity stuntman, but he is also an accomplished artist, and his art is gaining esteem throughout United States.

Please, let us know at your earliest convenience with whom we may discuss the organizational details, so, the art display is an absolute success.

Thank you very much.

Respectfully yours,

# Guidelines & Subscriptions

At a general meeting of the E.A.P. Council of Hamilton-Wentworth on November 2, 1983, the membership approved a statement of "Guidelines for E.A.P.", a copy of which is reprinted in this newsletter.

The stated purpose of the E.A.P. Council is "To assist the development, maintenance and improvement of Employee Assistance Programs throughout the community". The development of a statement of "Guidelines" is one step in this direction.

The Program Review and Development Committee of the Council has provided all E.A.P.s in the area with a useful mirror in which to reflect on the structure and performance of their own programs.

Membership in the Council is still open to all organizations interested in E.A.P. These "Guidelines" are a first step in defining some of the desirable characteristics of effective E.A.P.s. All member organizations of the Council have the task to develop and improve their own E.A.P. services in accordance with the Guidelines. We can also suggest improvements to the Guidelines as these become clear to us in the practice of our E.A.P.s. Any organization wishing assistance in this area is invited to contact the Council.

*Pat Malcolmson (Otis Elevator) is Chairman of our Program Review & Development Committee. He chaired the subcommittee which drew up the Council's recently-approved Guidelines.*

A reminder. **eap/EXTRA** IS YOUR NEWSLETTER. We need to hear from you. Letters to the editor, articles, suggestions for research, news and views, brickbats and bouquets. Send them in to us and help your Editorial Committee to improve the newsletter.

Get extra copies of **eap/EXTRA** to give to others, to let them know of the work of the EAP Council. Individual subscriptions cost only \$5.00 per year (four issues). And there are special rates for bulk subscriptions too.

All communications with **eap/EXTRA** to Editorial Board, EAP Council of Hamilton-Wentworth P.O. Box 332, Hamilton, L8N 3H8 or phone: Bruce Cunningham - 525-1250 Lily Oddie Munro - 525-9140 ext. 4691

## Council ratifies Guidelines

At its meeting on November 2, 1983, the membership of the E.A.P. Council of Hamilton-Wentworth voted to accept a statement of "Guidelines for E.A.P." prepared by the Program Review and Development Committee and approved by the Executive Committee. Pat Malcolmson of Otis Elevator, Chairman of the Committee, outlined the terms of the Guidelines to the meeting. He also indicated the number of revisions that had been made since the Committee started in the Fall of 1982 with the statement of "Standards for E.A.P.", published by the N.C.A. and ALMACA in the U.A.

Bev Drane, a staff representative of the CUPE area office and a member of the Committee, reiterated Labour's support for programs to assist distressed workers. He spoke of his experiences with E.A.P. and of the need to take programs off

the shelf and put them to work for people.

The need to apply the Guidelines to our own programs was stressed by Bruce Cunningham, ARF staff member on the Committee. He pointed out that the Guidelines represented general minimum statements of quality in our E.A.P.s. Each organization was challenged to maximize the effectiveness of their programs by applying the Guidelines as fully as possible to their own situation.

The meeting broke up into buzz groups to discuss the implications of the Guidelines, followed by a report back session moderated by Brian Austin of Dofasco. Several suggestions were put forward to the Committee to consider in any future revision of the Guidelines. The general mood of the 35 persons present was that the Guidelines represented a step forward for the E.A.P. Council in the achievement of its purpose.

# Employee Assistance

## INTRODUCTION

Experience with Employee Assistance Programs (E.A.P.'s), and rapid growth in recent years, has produced a body of knowledge about how they work. Research and experience in occupational programming have revealed common elements for program planners and operators. The guidelines presented here for E.A.P.'s were developed in response to a need by organizations and consultants requiring assistance to develop and implement new programs or evaluate existing ones.

Traditionally alcohol or drug abuse has been the focal point; however, Employee Assistance Programs need not be exclusively restricted to these areas. Any problem which makes it difficult for the employee to function effectively, either on or off the job, may be appropriately addressed by means of an E.A.P. E.A.P.'s thereby provide a mechanism for dealing with both short and long term problems. For both management and union the existence of an E.A.P. may be expected to make identification of and communication with employees with problems more acceptable. Additionally, self-referral for employees with problems will be encouraged by the existence of an E.A.P.

It may be said, therefore, that E.A.P.'s make available to all employees and, directly or indirectly, their families, information, assessment, referral and personal counselling services, and facilitate the use of such services. These programs are recognized as highly successful both in human and cost-effective terms, benefiting employers, employees and the community at large. Some of the options for providing E.A.P. services that now exist are contracts with outside agencies; contracts with independent practitioners; union counsellors; referral agents; social workers on payroll; counsellors serving several employers; and community based Assessment and Referral Centres.

Programs can be designed for all types of organizations: small and large businesses, labour unions, professional associations and employees of all levels of Government. In organizations where employees are covered by a collective bargaining agreement, a key element to the success of an E.A.P. is co-operation between unions and management.

## 1. POLICY AND PROCEDURE

### 1.1. Policy Statement.

An organization should adopt a written policy statement on problems covered by the E.A.P. Ideally, this will be signed by the chief executive and union head, where appropriate, and should reflect management and labour attitudes and agreements as to the Program's purpose and objectives. In respect to the various problems addressed by the E.A.P., the policy should outline the role and responsibilities of the employees as they relate to the Program. The policy should also state that serious personal or family problems are responsive to treatment and rehabilitation. The E.A.P. need not, in any way, alter management's responsibility or authority or union prerogatives. Utilization of the E.A.P. by employees should not affect their future employment or career advancement, nor should participation preclude the application of established disciplinary procedures.

### 1.2. Confidentiality

Written rules should be established specifying how records are to be maintained, for what length of time, who will have access to them, which information will be released to whom, and under what conditions, and what use, if any, can be made of records for purposes of research, evaluation and reports. Client records maintained by an E.A.P. should never become part of an employee's personnel file.

### 1.3. Procedures for Individuals Referred by Management and/or Union Representatives

Each E.A.P. should prepare written procedures for action initiated by management and/or union representatives. This should provide for assessment by E.A.P. staff or committee, evaluation by professionals, referral for treatment, feedback to and from the referral source and follow-up.

### 1.4. Procedures for Voluntary Use of the Program by Employees/Family Members.

Procedures for individuals who refer themselves should provide for assessment by E.A.P. staff or committee, evaluation by professionals, referrals for treatment and follow-up. The E.A.P. staff or committee should not initiate any contact with a third party without the full knowledge and consent of the employee concerned.

## Labour support for EAPs

by Bev Drane

In 1977, I was approached by my own staff union to represent my colleagues on the EAP Committee. Following that I was invited by Brother Julien Major, Executive Vice President of the Canadian Labour Congress (CLC) to attend a meeting in Ottawa of labour people from around the country. At this meeting, we hammered out a resolution for presentation of the 1978 CLC Convention, adopting in principle the concept of Employee Assistance Programs. This resolution was finally adopted at the 1978 CLC Convention.

A draft program was drawn up by the CLC Standing Committee on Social Services, chaired by Sister Grace Hartman, then National President of the Canadian Union of Public Employees. The sub-committee on Alcohol & Drugs was chaired by Julien Major, with Peter Lea of the CLC serving as Secretary.

The draft program was presented for discussion at the 1979 Input Conference, held that fall in Ottawa. The CLC chose to call their program an "Employee Recovery Program" - other than the difference in the name, the most important thing is that labour is now on record as supporting employee assistance, and providing active encouragement to

unionized workers to participate in EAP/ERPs in their workplace.

Workers can take advantage of the Union Counsellor courses which are put on by the Hamilton & District Labour Council in conjunction with the United Way of Burlington-Hamilton/Wentworth. I have taken this course myself, and I would recommend it highly to any trade unionist interested in participating in an EAP.

My own union, the Canadian Union of Public Employees, the largest union in Canada today, adopted a policy statement endorsing EAPs at its recent National Convention in Toronto (October 24-28, 1983). The union will be encouraging all its local affiliates to get involved in EAP/ERPs as an effective means of assisting the union's members.

Finally, I would recommend that all local unions join the Hamilton-Wentworth EAP Council and send representatives to its meetings. The cost is a nominal \$15.00 per year, and well worth it for the exposure to the latest developments in the employee assistance field. If you haven't already joined, please contact either Bruce Cunningham at 525-1250 or myself, Bev Drane, CUPE National Staff representative, at 525-5411.

# Program Guidelines

## 2. ADMINISTRATIVE FUNCTIONS

### 2.1. Organization

Operations of or responsibility for the E.A.P. should be positioned on an organizational level, high enough to ensure the joint involvement, where possible, of management, union leadership and/or non-union employee representatives in sustaining the Program.

### 2.2 Access

An E.A.P. should facilitate easy access to services while insuring confidentiality. Access, in-so-far as the referral procedure is concerned, should also be such that confidentiality is preserved and embarrassment avoided.

### 2.3 Record-Keeping System

Each E.A.P. should have a record-keeping system carefully designed to protect the identity of the client, while facilitating case management and follow-up and providing ready access to statistical information, as in Section 1.2. regarding confidentiality.

### 2.4. Relation of the E.A.P. to Medical and Disability Benefit Plans

There should be a review of medical and disability benefits, to insure that plans adequately cover appropriate diagnosis and treatment for alcohol, drug and mental health problems. Where feasible, coverage should include outpatient and day treatment care. The E.A.P. staff should be familiar with provisions of the medical and disability benefit plans, so they can advise clients clearly as to the extent, nature and cost of the recommended treatment and reimbursement available.

### 2.5. Qualifications of the E.A.P. staff

The E.A.P. staff should combine two primary qualifications:

1. appropriate managerial and administrative experience;
2. skills in identifying problems, interviewing, motivating, referring clients and, where appropriate, in counselling or related fields.

### 2.6. Qualifications of Members of the E.A.P. Committee.

Where an E.A.P. Committee exists, its function is not primarily directed towards individual assessment and counselling. For this reason, lack of professional training should not be a deterrent to membership of this committee.

As of concern for the committee should include:

- communication (internal and external);
- education (both for and by committee members);
- co-operation (within the company and with external agencies);

familiarization (with community resources);  
evaluation (of the Program and other existing programs).

The essential qualifications for individual members would therefore be:

1. an overall interest and concern in helping fellow employees;
2. a desire to obtain and use as much information as possible with respect to the operation of E.A.P.s.

## 3. EDUCATION AND TRAINING

### 3.1. Communicating E.A.P. Services to Employees and their Families

It is important that employees and their families are informed about the organization's E.A.P. and the services it offers, and are continually updated by various educational techniques on its existence and availability. Information about the E.A.P. should be made available to all new employees and their families.

### 3.2. Employee Education

An organization should have a major commitment to ongoing education dealing with a broad range of problems facing individuals and families.

### 3.3. Orientation of Management and Employee Representatives

Management and employee representatives should be thoroughly informed about their key role in utilizing the E.A.P. services. Orientation for management and employee representatives should be updated regularly.

## 4. RESOURCES

### 4.1. Resource File on Providers of Assistance

Each E.A.P. should maintain current information about treatment services and other resources available to employees and their families.

## 5. EVALUATION

### 5.1. Program Review and Evaluation

There should be a periodic review of the Program to provide an objective evaluation of operation and performance.

### 5.2. Staff Performance and Evaluation.

There should be an annual evaluation review of E.A.P. staff performance.

*[These guidelines have been developed in 1983 under the auspices of the Employee Assistance Program Council of Hamilton-Wentworth (Ontario). They are patterned after those standards distributed by the Association of Labour-Management Administrators and Consultants on Alcoholism (ALMACA) and the National Council on Alcoholism, U.S.A.]*

## Mark your calendar Addictions Course

Mike DeVillaers, ARF/Hamilton, will be the instructor for an upcoming course entitled "Drug Dependency Intervention", offered by the School of Adult Education at McMaster University. The course will run for nine 3-hour evening sessions from mid-March through May. Registration cost: \$90.00. Further information on the course and location: please phone 525-9140, ext. 4321.

## Advanced Skills Training Workshops

Our EAP Council is participating in a Joint EAP Council Planning Committee to develop specialized and indepth EAP skill-training over and above that which any one Council can provide on its own.

The planning committee's present proposal calls for a four-day session to be held at the Nottawasaga Inn, near Allison, Ontario, next October 1 to 4, 1984. Cost will be \$52.00 per day for accomodation, plus \$100 to \$200 for tuition, depending on the availability of grants.

Depending on the course selected, those planning to attend can register for two or four days. Four day courses will be offered on Assessment and Counselling. Two day courses will cover Program Monitoring and Case Finding and Promotion. We'll keep you posted on registration details as they become available.

## Resources

### Film Review

**The Troubled Employee** (24 min./16 mm./colour/1983) - This is a remake of the 1982 version of this film, changed to include trade union participation in EAP programming. The film illustrates the contribution of employees' problems at home (financial, alcohol) to loss of productivity and accidents in the workplace. Two case studies illustrate how supervisors should handle such employees in the referral interview and also afterwards, when they are ready to rejoin the staff. This is an excellent training film, and can be borrowed from the Addiction Research Foundation. Contact Margaret Green, Community Consultant, ARF, 525-1250.

### Publications

**EAP Digest** - six bi-monthly issues per year; annual subscription - \$18.00; two year subscription - \$32.00.

Write to Performance Resource Press, Inc., 2145 Crooks Road, Suite 103, Troy, Michigan, USA, 48084.

**Catalogue of Employee Safety & Health Programs for 1983** - listing books, pamphlets, films, slides and periodicals relating to employee assistance, drug abuse, mental health, heart care, nutrition and lifestyle. Write to Channing L. Bete, Inc., 200 State Road, South Deerfield, Massachusetts, USA, 01373 or phone (413) 665-7611.

**CTM: The Human Element** published a recent overview of EAPs, their origins, present state and future prospects; how to make them work better, etc. In two issues - the double August/September issue and the October issue.

Write to 542 Mount Pleasant Road, Suite 301, Toronto, M4S 9Z9

**EAP Digest** - an oldie but goldie, valuable article on "Initiating a Joint Labour/Management EAP" in the July/August 1982 issue.

# Around & About: EA People

MARCEL TURENNE, Chairman of the Education & Training Committee, has been assigned to a training program with Canada Post in Ottawa for 6 months. We hope to see him back with the committee by March 1984. In his absence, GEORGE SALTMARSH will act as chairman of the Education and Training Committee, with MIKE MEYER and GARY SCHUMACHER as back-up.

It's membership renewal time! Rates have increased by \$5.00, but this includes a subscription to eap/EXTRA. Still a bargain at \$10.00 for non-profit organizations, \$15.00 for all others.

Co-ordinators LAURIE BRYAN (Stanley Precision) and LILY ODDIE MUNRO (McMaster University) report the wind-up of another successful offering of the course on "Effective Assistance for Employees with Problems". Many thanks to all those who registered from business, industry and labour. We'd also like to recognize and thank those who gave so freely of their time as community resources.

Update on the City of Hamilton's EAP...ANNA ALLEVATO is now officially on board as Counsellor. Those who know Anna will agree that she's energetic, committed and concerned, and we know that she'll throw herself wholeheartedly into working with the Joint Advisory Committee and the employees. Talking about the JAC, our apologies for an error in last issue's membership list ... ANDREA GORDON is the CUPE Local 932 member, not Gordon Anderson. Close, but no cigar - sorry about that!

Congratulations to LAURA GOLINI, Secretary, Education & Training Committee, on the arrival of a bouncing baby girl, Marianne Katrina!

The October 1983 issue of **Hamilton Cue** magazine includes our own BRUCE CUNNINGHAM, waxing eloquent about EAPs and the Addiction Research Foundation of Ontario, in an interview by our Editorial Board member, MICHAEL QUIGLEY, freelance writer.

## New EAP at Canadian Liquid Air

By Ron Rakush & Stu Murphy

In the spirit of co-operation rather than confrontation, Canadian Liquid Air and Local 6308 United Steelworkers of America, are embarking on a new broad scope of employee assistance programming. The new EAP will cover all manner of employee problems, replacing the old concept of a narrow focus on drugs and alcohol alone.

The proposed joint statement of policy on EAP agreed between USWA Local 6308 and Canadian Liquid Air, and signed by representatives of the company and the union, reads as follows:

lows:

"The Union and Management recognize that many human problems can be successfully treated, especially if identification takes place at an early stage and referral is made to an appropriate treatment resource. This is true of problems associated with physical, mental or emotional illness, marital or family distress, alcoholism, drug abuse, legal problems or other concerns.

"The Employee Assistance Program (EAP) is being introduced to assist all union members and other employees who have a problem which affects their

work performance; and to aid them in obtaining assistance before their condition renders them unemployable.

"Any decision on the part of the employee to seek help will not interfere with her/his position of employment. Confidentiality will be maintained at all times. The program is preventive in that it attempts to correct job performance difficulties at the earliest possible time. It is in no way meant to interfere with the private life of the employee". (Stu Murphy and Ron Rakush are, respectively, the management and union signatories of this joint statement).

## EAP Council Executive

EAP Council of Hamilton-Wentworth, 1983-4 Executive Committee, elected at Council's AGM on June 2, 1983, consists of:

J.D. Nicholson (Hamilton & District Chamber of Commerce) - Chairman.

Larry Chrysler (USWA Local 1005) - Vice Chairman

Bryan Rushton (Hamilton & District Labour Council) - Past Chairman

Laurie Bryan (Stanley Precision) - Secretary/Treasurer

Marcel Turenne (Canada Post) - Education Chairman.

Pat Malcolmson (Otis Elevator) - Program Review & Development Chairman.

Lily Oddie Munro (McMaster University) - Information & Publicity Chairman.

Members at large:

Bruce Cunningham (Addiction Research Foundation)

Mike Meyer (Catholic Social Services)

Samir Iskander (Alcoholism Treatment & Education Centre: Chedoke)

Bev Drane (CUPE National Staff)

John Vedell (Hamilton-Wentworth Family Services)

eap/EXTRA welcomes letters from our readers. Please send all comments to The Editorial Board, eap/EXTRA, P.O. Box 332, Hamilton L8N 3H8

M E M O R A N D U M

TO: Mrs. Patrice Noé Johnson,  
Regional Clerk.

FROM: Mr. R. M. Plant, Q. C.,  
Regional Solicitor.

RE: Royal Botanical Gardens.

This will request you to place the attached material on the next Agenda for the Legislation and Reception Committee in response to the Committee's adjournment of this matter in February for further information. No Memo from me is necessary as the information was to enable them to determine whether or not to consent to the proposed Private Bill for restructuring the Board of the Royal Botanical Gardens.

Yours sincerely,

RMP:mb  
Encl.

R. M. Plant, Q. C.,  
Regional Solicitor.

April 2, 1987.

**RECEIVED**

APR 14 1987

SOLICITOR FOR  
THE REGIONAL MUNICIPALITY OF  
HAMILTON-WENTWORTH

Mr. R. M. Plant, Q.C.,  
Regional Solicitor,  
Regional Municipality of Hamilton-Wentworth,  
P.O. Box 910,  
Hamilton, Ontario L8N 3V9.

Dear Mr. Plant:

RE: Royal Botanical Gardens Act -  
Private Bill

Mr. Yates has forwarded a copy of your March 10th letter requesting that  
RBG staff provide the following information.

1. Funding

	<u>Hamilton-Wentworth Region</u>	<u>Halton Region</u>
1984	\$769,000	\$174,600
1985	\$807,400	\$186,000
1986	\$840,000	\$194,700

2. Membership of RBG Board

The Board structure as laid out in the RBG Act - 1941 - was revised in  
1954 and 1959. The 1959 Board structure (appended) was followed until  
1975 when Regional Government came into being. RBG Board members  
were no longer appointed by the Hamilton Parks Board and cities  
wherein RBG lands lay, but by the two Regions.

RBG Board prepared a proposed revision of the RBG Act including a  
Board structure to accommodate the Regions of Hamilton-Wentworth and  
Halton (proposed Board structure appended) and the proposed Board  
structure is being followed.

It should be noted that RBG Board has been endeavouring to have the  
proposed Act revision approved by the Ontario Legislature since  
early 1976.

.....2

Mr. R. M. Plant, Q.C.,  
April 2, 1987,  
Page 2.

3. Estimate of RBG lands in Hamilton-Wentworth & Halton Regions

Hamilton-Wentworth Region

Land

Rock Chapel	75.1 ha
North Shore	259.1 ha
South Shore	206.4 ha
Berry property	32.2 ha

No. Pr15

1959

# BILL

## An Act respecting Royal Botanical Gardens

WHEREAS the Board of the Royal Botanical Gardens Preamble by its petition has represented that it was incorporated by *The Royal Botanical Gardens Act, 1941* and that its membership was increased by *The Royal Botanical Gardens Act, 1954*; 1941. c. 75 and whereas the Board has prayed for special legislation further amending *The Royal Botanical Gardens Act, 1941* with respect to the membership of the Board; and whereas it is expedient to grant the prayer of the petition;

Therefore, Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. Subsection 1 of section 2 of *The Royal Botanical Gardens Act, 1941*, as amended by section 1 of *The Royal Botanical Gardens Act, 1954*, is repealed and the following substituted therefor: 1941. c. 75. s. 2, subs. 1. re-enacted

(1) The Board shall consist of twenty-two members as follows: Constitution of Board

- (a) three members of and nominated by the Board of Park Management of the City of Hamilton;
- (b) three persons, not being members of the council of the City of Hamilton, who shall be nominated by the said council and who shall serve for three years;
- (c) one person nominated by the Lieutenant-Governor in Council, who shall serve during the pleasure of the Lieutenant-Governor in Council;
- (d) one person nominated by the Minister of Agriculture for the Province of Ontario for the time being;
- (e) the Mayor of the City of Hamilton for the time being;

Pr15

- (f) the President of McMaster University for the time being;
- (g) seven persons not being members of the Board of Park Management of the City of Hamilton or of the council of the City of Hamilton, each of whom shall be nominated by the Board of the Royal Botanical Gardens and hold office for five years from the 1st day of February in the year in which he is appointed except in the case of the first members nominated under this clause, one of whom shall hold office until the 1st day of February in the year following the first appointments, one for one year, one for two years, one for three years and one for four years from that date; but every such member shall continue in office until his successor is appointed and shall be eligible for reappointment; any vacancy occurring by the death or resignation of a member nominated under this clause, or from any cause other than the expiration of the time for which he was nominated, shall be filled by the board and the member so nominated in his place shall hold office for the remainder of his term and until his successor is nominated;
- (h) two persons nominated by the Governor-General in Council, who shall serve during the pleasure of the Governor-General in Council;
- (i) one person, not being a member of the council of the Town of Dundas, who shall be nominated by the said council and who shall serve for three years;
- (j) one person, not being a member of the council of the Town of Burlington, who shall be nominated by the said council and who shall serve for three years;
- (k) one person, not being a member of the council of the Township of West Flamboro, who shall be nominated by the said council and who shall serve for three years.

Commence- 2. This Act comes into force on the day its receives Royal  
ment Assent.

Short title 3. This Act may be cited as *The Royal Botanical Gardens  
Act, 1959.*

art and related pursuits appropriate to a botanical garden.

Board of  
directors

4.-(1) The affairs of the corporation shall be managed and controlled by a board of directors composed of the following members:

1. A maximum of six persons appointed by the council of The Regional Municipality of Hamilton-Wentworth for a term concurrent with the council's term.
2. A maximum of three persons appointed by the council of The Regional Municipality of Halton for a term concurrent with the council's term.
3. Two persons appointed by the Lieutenant Governor in Council for a term of three years.
4. Two persons appointed by the Governor in Council, on the recommendation of the board of directors, for a term of three years.
5. If less than the maximum number of persons are appointed under paragraph 1, 2, 3 or 4, the board of directors may appoint persons in their stead for a term to be determined by by-law.
6. The President of McMaster University, ex officio.
7. The President of the Royal Botanical Gardens Auxiliary, ex officio.
8. Nine persons appointed by the board of directors to serve for a term to be determined by by-law.

Vacancies

(2) A vacancy that occurs on the board of directors shall be filled by the body or person that appointed the director whose office is vacant, to hold office for the remainder of the unexpired term.

MEMORANDUM

TO: Mrs. Patrice Noé Johnson,  
Regional Clerk.

FROM: Mr. R. M. Plant, Q. C.,  
Regional Solicitor.

RE: Royal Botanical Gardens Act - 1986 - Private Bill.

Attached please find correspondence received from Mr. George Yates, Q. C. in the above matter.

Would you please place this Legislation before the next meeting of the Legislation and Reception Committee for their comment and recommendation of Council.

I have reviewed the draft Legislation and find it to be in order and have no adverse comments on it from a legal perspective.

Yours sincerely,

RMP:mb  
Encls.

Attention: R.M. Plant, Esq., Q.C.  
Regional Solicitor

Dear Sir:

Re: Royal Botanical Gardens  
Act - 1986 - Private Bill

We are the solicitors for the Royal Botanical Gardens who are in the process of having the attached Act approved as a Private Bill for passage by the Legislature.

Would you kindly peruse the attached Act respecting Royal Botanical Gardens and indicate in your reply if there is any objection by your Council.

Yours truly

YATES and YATES

:vb  
Encl.

Royal Botanical Gardens Act, 1986

EXPLANATORY NOTE

The purpose of the Bill is set out in the Preamble.

An Act respecting Royal  
Botanical Gardens

## Preamble

Whereas the Board of the Royal Botanical Gardens hereby represents that it was incorporated by The Royal Botanical Gardens Act, 1941 and that its membership was increased by The Royal Botanical Gardens Act, 1954 and The Royal Botanical Gardens Act, 1959; and whereas the applicant hereby applies for special legislation providing for a modification of its organization, government and administration; and whereas it is expedient to grant the application;

Therefore, Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

## Definitions

1. In this Act,

"board of directors" means the board of directors of the Royal Botanical Gardens;

"corporation" means the corporation continued by subsection 2(1).

Corporation  
continued

2.--(1) The Board of the Royal Botanical Gardens, as incorporated by The Royal Botanical Gardens Act, 1941, being chapter 75, is continued as a corporation without share capital under the name of "Royal Botanical Gardens", consisting of the

members from time to time of the board of directors.

\_\_\_\_\_al year

(2) The fiscal year of the corporation begins on the 1st day of January in each year and ends on the 31st day of December in the same year.

..O.1980,  
not to  
-y

(3) The Corporations Act does not apply to the corporation.

ects

3. The objects of the corporation are,

- (a) to develop, assemble, document and maintain living collections of plants and animals;
- (b) to maintain nature preserves;
- (c) to protect specific environments and flora and fauna that are of special value as parental stocks or may be in danger of extinction;
- (d) to exhibit its collections to the public in cultivated and natural areas, museums and galleries;
- (e) to conduct botanical, horticultural and related biological research;
- (f) to prepare and distribute publications in the areas of research referred to in clause (e);
- (g) to act as an information resource centre for plant sciences and the understanding of natural phenomena, and conduct educational programs, including extension activities;
- (h) to develop supporting resources such as herbaria, libraries, conservatories, greenhouses and propagation facilities; and
- (i) to co-operate with other institutions of learning, research and extension on matters pertaining to biology, horticulture, landscape design. floral

art and related pursuits appropriate to a botanical garden.

Board of  
directors

4.-(1) The affairs of the corporation shall be managed and controlled by a board of directors composed of the following members:

1. A maximum of six persons appointed by the council of The Regional Municipality of Hamilton-Wentworth for a term concurrent with the council's term.
2. A maximum of three persons appointed by the council of The Regional Municipality of Halton for a term concurrent with the council's term.
3. Two persons appointed by the Lieutenant Governor in Council for a term of three years.
4. Two persons appointed by the Governor in Council, on the recommendation of the board of directors, for a term of three years.
5. If less than the maximum number of persons are appointed under paragraph 1, 2, 3 or 4, the board of directors may appoint persons in their stead for a term to be determined by by-law.
6. The President of McMaster University, ex officio.
7. The President of the Royal Botanical Gardens Auxiliary, ex officio.
8. Nine persons appointed by the board of directors to serve for a term to be determined by by-law.

Vacancies

(2) A vacancy that occurs on the board of directors shall be filled by the body or person that appointed the director whose office is vacant, to hold office for the remainder of the unexpired term.

Quorum

(3) A majority of the appointed members of the board of directors constitutes a quorum.

Members  
indemnified

(4) Every member of the board of directors may, with the consent of the corporation, be indemnified out of the funds of the corporation from all costs, charges and expenses sustained or incurred,

- (a) in any action or proceeding brought against the member in respect of any act, matter or thing done or permitted by the member in the execution of the duties of office; and
- (b) in relation to the affairs thereof except such costs, charges or expenses as are occasioned by the member's wilful neglect or default.

Powers of  
board

5. The board of directors has all the powers necessary to achieve the objects of the corporation and, without limiting the generality of the foregoing, may,

- (a) make by-laws,
  - (i) for the administration of the corporation's affairs,
  - (ii) governing the use by the public of the corporation's facilities, property and equipment, requiring the payment of fees for the admission of the public or any class of it to the facilities and property, and prescribing the amounts of the fees, and
  - (iii) providing for memberships, prescribing the qualifications and terms of membership and the fees, if any, to be paid for it, and providing for and regulating meetings of the members;

- (b) appoint a chief operating officer who has general supervision and direction over the operation and staff of the corporation and providing for the termination of such appointment;
- (c) appoint, promote, transfer or remove officers and staff as are necessary for the proper conduct of the corporation's affairs;
- (d) fix the duties, salaries and qualifications of office or employment and other emoluments of the chief operating officer and members of the corporation's staff;
- (e) provide for the retirement and superannuation of persons mentioned in clauses (b) and (c);
- (f) appoint by resolution a director or directors of the board, or any other persons, to execute on behalf of the board of directors any documents and other instruments in writing and to affix the corporation's seal to them;
- (g) pass a by-law authorizing the directors to elect from among their number an executive committee consisting of at least three persons and to delegate to the executive committee any powers of the board of directors, subject to any restrictions contained in the by-law or imposed by the directors, and authorizing the directors to fix the quorum of the executive committee at not less than a majority of its members;
- (h) appoint committees from the directors and such other committees as are considered desirable, and confer upon them authority to act for the board of directors with respect to any matter or classes of matters;
- (i) establish, maintain and operate public gardens and related facilities as required or convenient for carrying out the corporation's objects;
- (j) enter into agreements with associations or organizations having objects similar to those of the corporation;

(k) enter into agreements with the governing bodies of universities, colleges or schools,

(i) to provide for the interchange of staff, and

(ii) generally, in other areas consistent with the corporation's objects;

(l) acquire, hold and dispose of real and personal property;

(m) solicit, receive and hold gifts for any purpose related to the corporation's objects on such trusts and conditions as seem proper to the board of directors, and administer and dispose of them in accordance with the trusts and conditions; and

(n) generally conduct and manage the corporation's business and affairs.

Tax  
exemption

6.-(1) So long as the lands owned by the corporation are used for the purposes of the corporation, they are exempt from taxes for municipal and school purposes other than local improvement rates.

Deemed  
exemption

R.S.O.1980,  
cc.436,437,31

(2) For the purposes of subsection 10(9) of the Regional Municipality of Halton Act and subsection 101(9) of the Regional Municipality of Hamilton-Wentworth Act, the exemption from taxation granted under subsection (1) shall be deemed to be an exemption provided under section 3 of the Assessment Act.

Property of  
corporation  
not liable to  
expropriation

7. Real property vested in the corporation is not subject to expropriation by any person possessing the power to expropriate land or interests in land, except a municipal corporation, unless the Act conferring the power to expropriate on the person makes express reference to the real property.

Application  
of property

8. The corporation's property and the income and profits of all its property shall be applied solely to achieving its objects.

Investment of  
funds

9. The funds of the corporation not immediately required for its objects and the proceeds of all property that come to the corporation, subject to any trust or trusts affecting the property, may be invested and reinvested in any investments that the board of directors considers appropriate.

Audit

10.-(1) The accounts and financial transactions of the board of directors shall be audited annually by an auditor or auditors appointed by the board.

Annual report,  
etc.

(2) The corporation shall deliver a copy of the annual report to the Minister of Citizenship and Culture, the Clerk of The Regional Municipality of Halton and the Clerk of The Regional Municipality of Hamilton-Wentworth.

Idem

(3) A copy of the annual report shall be provided to any member of the Royal Botanical Gardens who requests a copy.

Borrowing  
powers

11.-(1) The board of directors may borrow money upon the credit of the corporation, may issue bonds, debentures or other securities of the corporation, may pledge or sell them for such sums or at such prices as may be considered expedient or necessary, and may use the corporation's real or personal property as collateral.

Trust  
property

(2) Nothing in this Act authorizes the board of directors to alienate or use as collateral any real or personal property acquired by the corporation on the condition that the property not be alienated or used as collateral.

Dissolution

12. Upon dissolution of the corporation, and after payment of all debts and liabilities, the remaining property of the corporation shall be distributed or disposed of to an organization in Canada having objects similar in nature to those of the corporation.

Transition

13. The members of the Board of the Royal Botanical Gardens holding office immediately before this Act comes into force shall continue to hold office and constitute the board of directors under this Act until the members of the board of directors are appointed or named under section 4.

Repeal

14. The Royal Botanical Gardens Act, 1941, being chapter 75, The Royal Botanical Gardens Act, 1954, being chapter 125 and The Royal Botanical Gardens Act, 1959, being chapter 130, are repealed.

Commencement

15. This Act comes into force on the day it receives Royal Assent.

Short title

16. The short title of this Act is the Royal Botanical Gardens Act, 1986.

Attached please find a copy of our copy of Mr. Stratton's letter to Mr. Dey, Mrs. Johnson's solicitor, of September 14, 1987. Note that Mr. Stratton has advised Mr. Dey that notwithstanding Mr. Dey's last minute request to set aside the Minutes of Settlement herein, the Human Rights Commission felt that the Minutes of Settlement were in the best interest of Mrs. Johnson and that they should not be set aside. Further, they consider this matter closed and will be formally closing their file. As well, they have advised Mr. Dey of our concern about holding the other 1/2 stall available for Mrs. Johnson beyond 60 days and have asked her to exercise her rights under the terms of the Minutes of Settlement as quickly as possible.

Dear Mr. Dey:

RE: Ethilda Johnson  
and  
Corporation of the City of Hamilton  
File No. SW-2480

This is further to your correspondence and our recent telephone conversations.

Minutes of Settlement were entered into and signed on February 25, 1987. The Commission, believing the Minutes of Settlement were in the best interests of Mrs. Johnson and that they satisfied the policy requirements of the Code, approved the agreement on May 6, 1987. Immediately following that meeting, the Commission received your letter dated April 29, 1987 advising that you had been retained by the complainant and instructed to take the legal action necessary to set aside the Minutes of Settlement.

Although the Minutes of Settlement had already been approved pursuant to section 42 of the Code, the Commissioners present at the May 6th, 1987 meeting reviewed and considered your letter. It was the Commissioners view that the Minutes of Settlement were in the best interests of your client and under the circumstances the settlement should not be set aside. This decision was communicated to you by myself in our telephone conversation on September 11, 1987.

As a result of the Commission's approval of the Minutes of Settlement, enclosed please find the cheques made out to your client pursuant to the terms of the agreement. As this matter is now considered concluded, we will be formally closing the file.

You should be made aware of the fact that Mervin Witter, Manager of the Hamilton/Niagara region received a letter dated August 18, 1987 from the City of Hamilton which indicates that it can only hold the stall that was being reserved for your client pursuant to the terms of the agreement for another 60 days. It would be in your client's best interests to exercise her rights under the terms of the Minutes of Settlement and communicate with the respondent on this issue as quickly as possible.

Yours sincerely,

A handwritten signature in dark ink, appearing to read "Jim Stratton". The signature is stylized with a large, sweeping initial "J" and a cursive "S".

Re: Conference Report - A.M.O. Conference - August 23rd to August 26th, 1987  
Toronto

The 1987 Conference was one of the largest in registered delegate attendance in the history of A.M.O. The sessions were extremely well attended. The programs throughout the conference were interesting and enlightening. The highlights - the keynote address The Honourable Grandmaitre, Minister of Municipal Affairs, Jean Pelletier, Mayor of Quebec City and President of the Union of Municipalities of Quebec who spoke on the future of Quebec municipalities. Mr. D'Arcy McKeough, a former Cabinet Minister in the Davis government and Robert White, National President, C.A.W. of Canada spoke and debated on free trade. An energy walk-in conference clinic, something new was held on Tuesday, August 25th, 1987 from 1:00 p.m. to 5:00 p.m., provided an opportunity for all delegates and guests to see in some cases as with the synthetic display, tri-innovated energy saving projects ranging from computer systems to a 20 foot by 20 foot rink of plastic ice and Jessie the Robot who ventured around the hallways.

Resolutions were many and varied covering all aspects of municipal government with excellent participation by the delegates.

Thank you for the opportunity of attending the 1987 A.M.O. Confernece on behalf of The Regional Municipality of Hamilton-Wentworth.

Respectfully submitted,

Councillor James A. Smith.

Dear Ms. Johnson:

We have been advised that Alderman Terry Cooke has been appointed Chairman of the Regional Health and Social Services Committee to fill the vacancy left by Alderman Shirley Collins.

In that role, Ms. Collins also sat as one of three Regional Council members on the Hamilton-Wentworth District Health Council.

Having the Chairman of the Regional Health and Social Services Committee has been most beneficial to Council in providing an on-going mechanism for linkage between the Region and the District Health Council in the planning for health services for Hamilton-Wentworth.

We would therefore ask that consideration be given by your Legislative and Reception Committee to having Alderman Cooke fill the Regional Council representative vacancy on our Health Council.

Health Council meetings are held the 3rd Monday of every month at 3:30 P.M. in the Board Room, Patterson Building, Chedoke Hospital Grounds, Hamilton.
